Investors may suffer substantial loss of their investments in the Fund.
- Investors should not invest solely based on factsheet and should read the offering documents for details.

Investment objective

The Fund aims to provide long term capital growth by investing in a portfolio of smaller company shares of Asia (excluding Japan), while promoting environmental, social and governance (ESG) characteristics. The Fund qualifies under Article 8 of SFDR.

Investment strategy

The Fund is actively managed. In normal market conditions, the Fund will invest at least 90% of its assets in shares of companies that are based in Asia (excluding Japan), including both developed markets and emerging markets. The Fund will invest at least 70% in smaller sized companies. The Fund includes the identification and analysis of a company's environmental and social factors and corporate governance practices as an integral part of the investment decision making process. Companies considered for inclusion within the Fund's portfolio will be subject to excluded activities in accordance with HSBC Asset Management's Responsible Investment Policies. The Fund may invest up to 50% in China A and China B-shares, up to 10% in other funds, may invest in bank deposits and money market instruments for treasury purposes and up to 15% in Real Estate Investment Trusts. See the Prospectus for a full description of the investment objectives and derivative usage.

Benchmark disclosure

The Investment Advisor will use its discretion to invest in securities not included in the reference benchmark based on active investment management strategies and specific investment opportunities. It is foreseen that a significant percentage of the Fund's investments will be components of the reference benchmark. However, their weightings may deviate materially from those of the reference benchmark. Any deviations with respect to the benchmark are monitored within a comprehensive risk framework, which includes monitoring at sector and country level. The deviation of the Fund's performance relative to the benchmark is monitored, but not constrained, to a defined range.
