Risk Disclosure

- The Fund mainly invests in fixed income securities and equity securities, money market and cash instruments and other instruments that are related to the USA.
- Asset Backed securities, Mortgage Backed securities and Real Estate (not direct investment) may subject the Fund to additional risks and volatility.
- The Fund may pay dividends out of capital or gross of expenses. Dividend is not guaranteed and may result in capital erosion and reduction in net asset value.
- The Fund may invest in financial derivative instruments for investment purpose which may lead to higher volatility to its net asset value.
- The Fund's investments may involve substantial credit, credit rating, currency, volatility, liquidity, interest rate, valuation, tax, sovereign debt, non-investment grade and unrated debt securities, general equity market, and general debt securities, asset allocation strategy, geographic concentration, emerging market risks, and risk of investment in other collective investment schemes. The Fund may also involve risk of specific investment strategy, and political risks. Investors may suffer substantial loss of their investments in the Fund.
- Portfolio Currency Hedged Share Classes or RMB denominated class are subject to higher currency and exchange rate risks.
- Investors should not invest solely based on factsheet and should read the offering documents for details.

Investment objective

The Fund aims to provide income by investing in a diversified portfolio of assets related to the United States of America (USA).

Investment strategy

The Fund is actively managed and is not constrained by a benchmark.

At least 70% of the Fund's exposure is to bonds, shares, money market instruments, cash and other assets from USA related issuers. Other assets include real estate investment trusts (REITs), asset-backed securities, mortgage-backed securities and alternative investment strategies.

The Fund gains exposure up to 100% to bonds that are investment grade, non-investment grade and unrated issued or guaranteed by governments, government-related entities, supranational entities and companies. The Fund gains exposure of up to 70% in shares issued by companies of any size. Exposures will be achieved through investing directly into markets, derivative instruments or investing in other funds.

The Fund may invest up to 30% in shares and bonds, and up to 10% indirectly into commodities issued by non-USA based issuers.

The Fund may invest up to: 45% in non-investment grade bonds; 10% in convertible bonds, 10% in contingent convertible bonds; 15% in asset backed securities and mortgage-backed securities; 30% in closed-ended REITs; and 50% in other funds.

The Fund's primary currency exposure is to the USD.

See the Prospectus for a full description of the investment objectives and derivative usage.
