

## HSBC Global Investment Funds

# GLOBAL INFRASTRUCTURE EQUITY

Monthly report 31 March 2026 | Share class AC

Fund center

### Risk Disclosure

- The Fund invests mainly in global listed infrastructure securities.
- The Fund will invest in infrastructure related companies, which are affected by a wide variety of factors such as interest rates, environmental and local regulations, increased competition, and terrorist activity and may be negatively impacted.
- The Fund may pay dividends out of capital or gross of expenses. Dividend is not guaranteed and may result in capital erosion and reduction in net asset value.
- The Fund may invest in financial derivative instruments for investment purpose which may lead to higher volatility to its net asset value.
- The Fund's investments may involve currency, volatility, liquidity, equity market, concentration, risk associated with flexible pay-out classes, tax and political risks. Investors may suffer substantial loss of their investments in the Fund.
- Base Currency Hedged Share Classes and RMB denominated class are subject to higher currency and exchange rate risks.
- Investors should not invest solely based on factsheet and should read the offering documents for details.

### Investment objective

The Fund aims to provide long term capital growth and income by investing in a concentrated, globally diversified portfolio of listed infrastructure shares, while promoting environmental, social and governance (ESG) characteristics. The Fund also aims to achieve a higher ESG score than the weighted average of the constituents of its reference benchmark. The Fund qualifies under Article 8 of SFDR.

### Investment strategy

The Fund is actively managed. The Fund will invest at least 90% of its assets in shares (or securities similar to shares) of infrastructure related companies of any size, that are based in any country including developed and emerging markets. The Fund uses a bottom-up quality and valuation-based investment approach. The identification and analysis of a company's environmental and social factors and corporate governance practices is an integral part of the investment decision making process. The Fund can invest up to 20% in China A and China B-shares, up to 10% in other funds, may invest in money market instruments for treasury purposes and up to 25% in Real Estate Investment Trusts. See the Prospectus for a full description of the investment objectives and derivative usage.
